PROFILE

Motivated undergraduate student specializing in Interactive Media at SLIIT, with a strong passion for UI/UX design, digital marketing, and mobile app development. Skilled in Figma, Android Studio, and prototyping tools. Fast learner, self-motivated, and committed to delivering high-quality work on time. Seeking an internship opportunity to apply my skills, gain industry experience, and contribute meaningfully to a creative team.

ACADEMIC PROJECTS

- **EchoMate - UI/UX Design Project**
Designed a complete mobile app interface for a sustainability-focused application, including wireframes, user flows, and interactive prototypes using Figma.
- **Glow Me - Mobile Application**
Developed an Android application with functional screens, smooth navigation and UI layouts using Android Studio.
- **Online Gaming Website**
Built a web-based gaming platform featuring user login system, scrolling content, and interactive UI.
- **Apparel Manufacturing Management System**
Contributed to the Inventory section of a management system for an apparel manufacturing environment.

LANGUAGE

- English
- Sinhala
